## Titleist®

Whether you're looking to create a personalized gift for your family or friends, a special package for your next tournament, a memorable corporate gift, or a custom golf ball to commemorate a special holiday or life event, our experienced team here at Morton Golf can help you realize your vision and help you develop the ideal logo and/or package for your specific needs.

### Titleist NXT Tour 5

This golf ball features a proprietary soft compression, highly resilient core, and utilizes a soft Fusablend cover and a spherically tiled, 302 octahedral dimple design. Available in white and high optic yellow.

### Titleist NXT Tour

This advanced multi-component golf ball features a large dual core with a soft center, soft Fusablend cover and spherically tiled 302 octahedral dimple design.

### Titleist ProV1 and ProV1x

The new Pro V1 and Pro V1x deliver extraordinary distance and consistent flight. And now there's more short game control, even softer feel and long-lasting durability. It's the #1 Ball in Golf.

### Titleist DT TruSoft

Titleist R&D engineered a new core and cover formulation that delivers very low spin in the long game for impressive distance along with short game playability.

# BALLS

## :: NIKE GOLF

### **Nike Power Distance**

The Nike PD Long Golf Balls are made with a high-velocity core and softened cover for increased responsiveness and more distance from tee to fairway- and are available in five different variations including multiple color options and a women's ball.

## Wilson Staff<sup>®</sup>

### **Wilson Duo**

With its groundbreaking 29 compression, the new and improved Wilson Staff DUO is the world's softest golf ball. Designed for the distance player seeking less spin off the tee and a soft feel around the greens, the DUO is the industry leader in low compression technology.

## PINNACLE<sup>®</sup> DISTANCE YOURSELF<sup>™</sup>

### **Pinnacle Gold & Pinnacle Gold Ribbon**

High Optix technology from Pinnacle allows golfers to see their ball better by providing ultra-high visibility against the shades of blue and green found on the golf course. Available in a mens and ladies ball.

## SRIXON

### Srixon Soft Feel & Soft Feel Lady

This soft feeling distance ball is designed to launch high with low spin to create exceptional distance and control. The low compression design of this golf ball delivers a high Moment Of Inertia which leads to greater accuracy on off-center shots.

## Callaway

### Callaway Supersoft

The new and improved Supersoft is Callaway's lowest compression golf ball. It's long, straight, and of course, it's incredibly super soft.

### Callaway Chrome Soft

Chrome Soft is the only ball that has the SoftFast Core with low compression and the Tour Urethane Cover. You don't have to choose between feel and distance anymore.
